A National **XEROX** Partner

Are you **an energetic, hungry, and results oriented** individual who is **self-motivated** and excited by **competition**?

Are you looking for a **career** that keeps you on your toes? And **rewards** you financially beyond a fixed salary? One with the most **exclusive incentives** such as **prizes** and **trips** around the world?

## Brad Stanghetta

**Vice President @ XEROX:** "My time at Butterfly helped lay the ground work for the business man I've become today. The environment at Butterfly is one that focuses on accountability, the "winning spirit" and ultimately success both professional and personal. You can't pick a better destination that will help fast forward your career."

## Lauren Fernandes

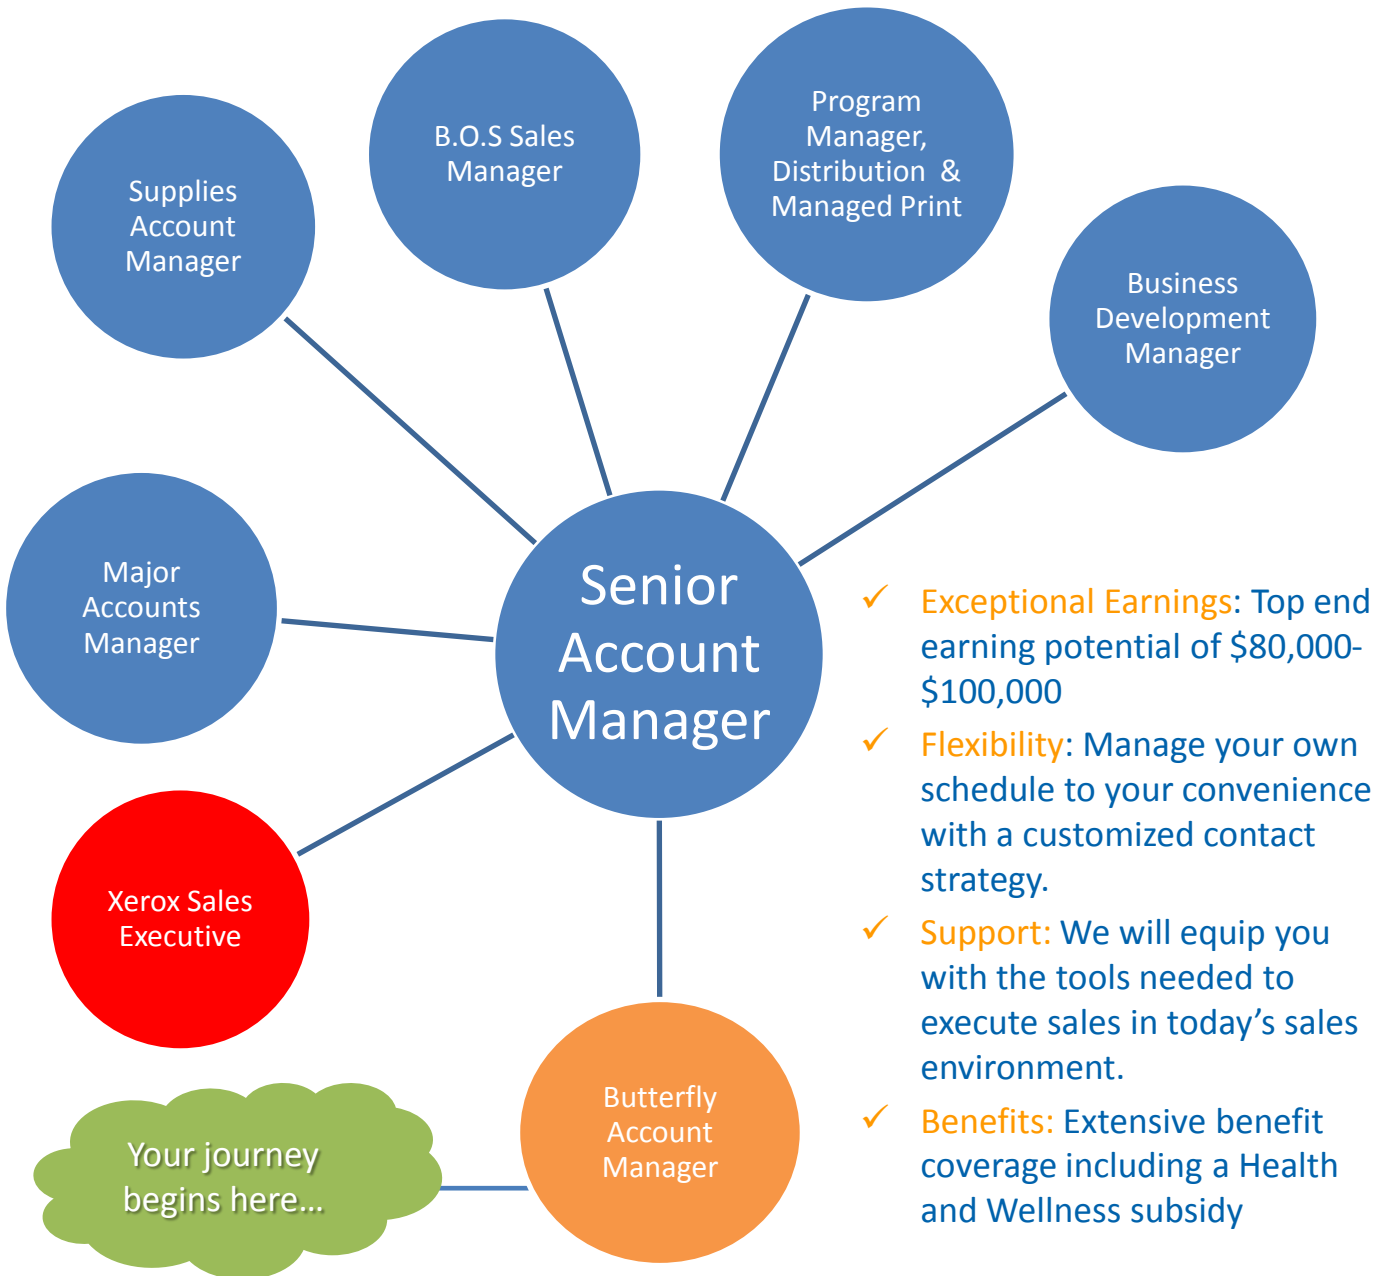

**Program Manager, Managed Print & Distribution Sales @ B.O.S :** "My efforts outside of my sales performance did not go unnoticed as an Account Manager. With the constant support at Butterfly, I was promoted in one year to a management position focused on driving distribution sales and Managed Print Services for the office."

## Madhav Mehta

**Vice President of Sales @ Butterfly :** "Since starting my career at Butterfly in 2009, the professional development I've gone through has been absolutely phenomenal. From Account Manager, to Senior Account Manager, and now Vice President of Sales, the work ethic instilled from the dynamic environment at Butterfly always presents a new and exciting challenge. Want your income to be based on your work ethic? This is the place to be!"

With our company reaching new heights, the sky is the limit at **Butterfly** when it comes down to your career path. Align yourself with a company that offers you a more diverse array of opportunities...
